Why **PiTech**?

1

Proven strong credentials in developing and managing projects for Government agencies and Private Sector companies in the Financial Services, Healthcare, Transportation & Logistics, Aerospace and Defense verticals.

2

Alliances with leading technology vendors like IBM, Microsoft, AWS and SAS keep us up to date on recent technology developments and are leveraged to enhance the value delivered to our clients.

3

Access to a large pool of readily available subject matter experts and consultants equipped with necessary credentials to deploy; for short-term consulting engagements or to undertake 'end-to- end' turnkey projects.

4

Our employees understand the unique needs of Government agencies through extensive experience implementing strategic, operational and tactical initiatives.

5

Agile DevOps Methodology driven approach that combines personnel with strong Domain/Industry experience, process templates, delivery accelerators, and right technology to take care of your needs.

About PiTech

PiTech is a Technology Solutions Company based in Research Triangle Park, Durham, NC, that specializes in IT Consulting, Data Solutions, Analytics and Process Solutions. PiTech delivers high quality services and solutions enabling customers to gain a competitive advantage in their chosen markets.

PiTech Advantages

PiTech is a SBA Certified Small Disadvantaged Business (SDB) specialized in providing technology and engineering solutions and services across the full spectrum of services value chain to Government agencies.

PiTech provides innovative and effective solutions that harnesses strategic use of technology and information to achieve the overarching goal of providing Government decision makers with relevant, timely, and critical information when, where, and however they need it.

Customers include DoD, DHS, NIH Agencies, State Agencies and Fortune 100 companies
